Introduction to the ISTQB Prep

The ISTQB Exam Prep is an AI-powered platform designed to help candidates prepare effectively for the ISTQB Certified Tester Foundation Level (CTFL) 4.0 or the Certified Tester Testing with Generative AI (CT-GenAI) certification exam. It offers realistic exam simulations, personalized learning paths, and AI-driven feedback to enhance exam readiness. Whether you're an individual candidate, a training provider, or part of a corporate training program, the ISTQB Prep provides an optimized study experience to improve success rates.

Key Features and Benefits

Realistic Exam Simulation

- Timed multiple-choice questions aligned with the official ISTQB syllabus.
- Incorporates questions from official ISTQB sample exams.
- Helps candidates prepare for the actual exam experience.

User-Friendly Interface

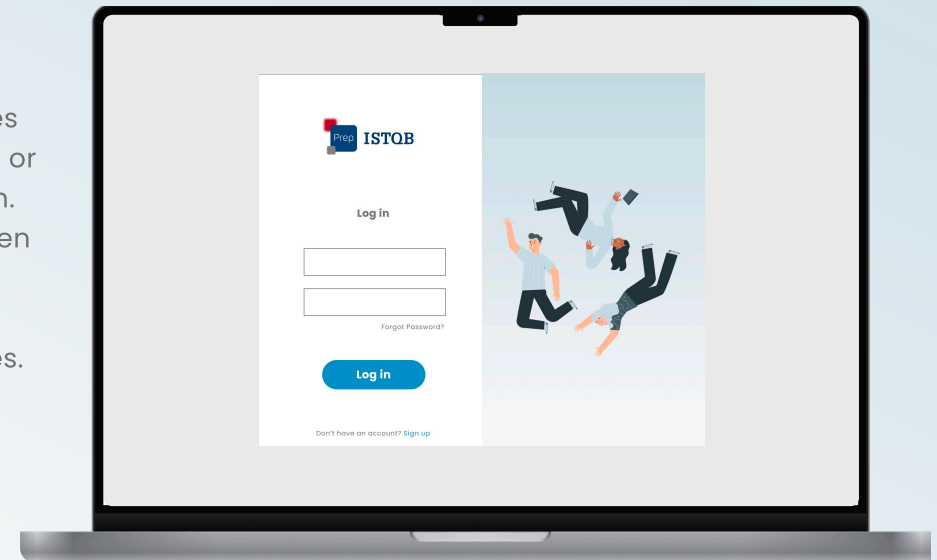

- Intuitive navigation makes exam preparation seamless.
- Easy access to analytics, reports, and test history.

Performance Tracking and Analytics

- An interactive dashboard offers real-time performance insights.
- Detailed reports highlight strengths and improvement areas.
- Visual progress tracking over time.

Targeted Learning

- Personalized question sets focus on weak areas.
- AI adapts practice questions to individual learning journeys.

Accessibility

- Study anytime, anywhere from your desktop device.

Voucher-Based Access

- Candidates receive an access voucher upon order confirmation.

AI-Driven Feedback

- Instant explanations for correct answers and insights into why other options are incorrect.
- Reinforces understanding and corrects misconceptions.

Getting Started

Accessing the Platform

1. Visit <https://www.istqbprep.com/>
2. Click on "Sign Up" or "Login" if you already have an account.
3. Enter your details and confirm registration.

Redeeming a Voucher

1. Navigate to the Voucher Redemption section.
2. Enter your unique voucher code.
3. Click "Redeem Voucher" to gain access to the exam prep features.

Purchasing a Voucher

Vouchers can be purchased from our trusted exam providers, GASQ and iSQI. Vouchers are available as a standalone product or can be combined with an exam session. Visit our partners' websites to learn more about their voucher options:

Dashboard Overview

The dashboard is your personal Exam Readiness Hub and provides:

Test Insights

Track performance across different ISTQB certification levels.

User-Friendly Navigation

Organized menus for easy switching between tests and reports.

Performance Analytics

Detailed test reports to pinpoint strengths and weaknesses.

Voucher System

Seamless redemption of vouchers to access tests.

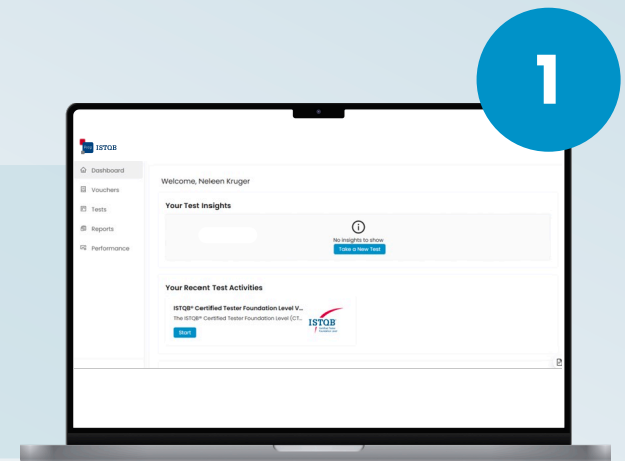

Recent Test Activities

Resume ongoing tests or start new ones easily.

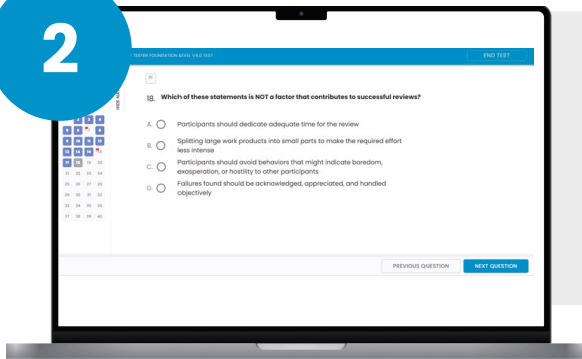

Taking an Exam Simulation

Step 1: Starting a Test

- Navigate to "Take a Test" in the menu.
- Choose a test language (English, French, German).
- Choose between Exam Mode or Practice Mode and begin the test (practice tests can be resumed).

2

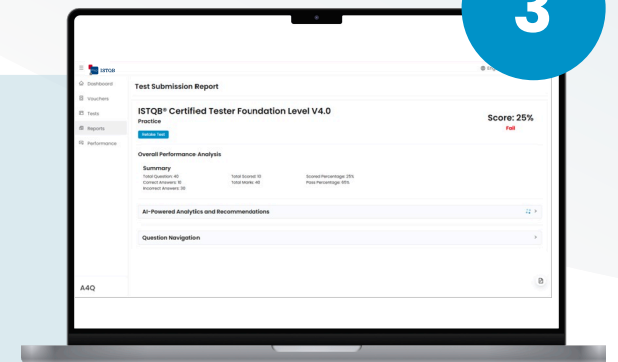

Step 2: Answering Questions

- Select the most appropriate answer for each multiple-choice question.
- Use the flag feature to mark questions for review before submitting.

3

Step 3: Submitting and Reviewing Results

- Submit the test and view your immediate results.
- Access explanations and insights for each question.

AI-Driven Learning and Feedback

The tool uses Artificial Intelligence (AI) to adapt to your learning needs:

- Personalized Question Sets – Focuses on weak areas for targeted improvement. Chapter-Specific Drills – Reinforces knowledge in specific syllabus areas.
- Adaptive Learning Path – Customizes practice tests based on past performance.

Performance Tracking and Reports

Instant Test Analysis

- Detailed Score Breakdown – View scores across different tests.
- Topic-Wise Performance – Identify which syllabus chapters need more attention.
- Trend Tracking – Monitor progress over time.

Managing Vouchers and Access

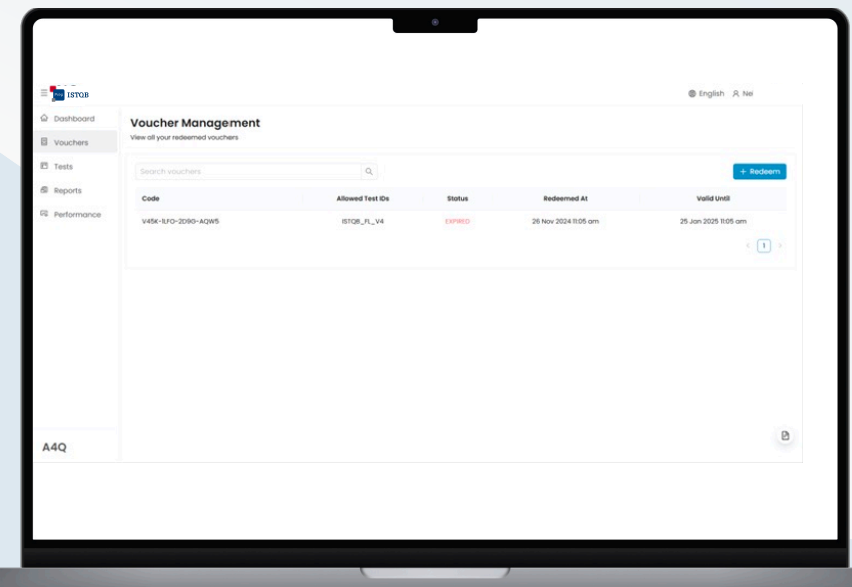

How to Use a Voucher

Enter the voucher code in the designated section.

Click "Redeem" to activate the access voucher. Access the full suite of features within the validity period.

Voucher Expiry and Extensions

The tool automatically notifies users about voucher expiry.

The ISTQB Prep is your comprehensive companion for mastering ISTQB certifications.

With AI-powered adaptive learning, realistic exam simulations, and detailed performance tracking, candidates can prepare effectively and boost their confidence.
